### Customizable Plan

Combine a wide range of décor parts to create an original booth that fits the budget and image of your company. (Available for one booth and up)  
Talk to Shoei Bijutsu directly with any questions about unique décor options.

If any of the following apply to you, consider a customizable plan.

- The tasting, sampling, and display plans don't fit what you're looking for.
- You know what you want to do but you don't know what you want your booth to look like.
- You don't know the best display or staging methods to effectively show off your products.
- You want a booth with impact.
- You want a booth with presence.

Examples of booths made with the customizable plan:
